2) Important Points with respect to Payment of Fees :

- a) Please note that there will be no hike in Annual fees. The fees structure for 2019-20 is in force. The 13% fee hike approved by EC-PTA 2019-20 for academic 2020-21 will now be implemented for the Academic year 2022-23.
- b) **There are no changes in the fee payable amount for Grades 1 to 4 as the School Management has already offered a 15 % rebate for these classes in line with the requirement of the G.O.**
- c) For Grades 5 – 9, the rebate offered by the School Management was 5 %, which is now increased to 15 %. The same has been adjusted in the Fee Payable amount for the Second Term
- d) For Grade 10-12, no rebate was offered by the School Management for the current academic year. 15 % is now applicable. The same has been adjusted in the Fee payable amount for the Second Term
